

We will pass through the Dragon Flames,
I will go first and push back the fire, ready?

Let me help you
cross the bridge.
Careful... Now, jump!
Don't worry
about the skeletons,
I am right behind you!

Come on,
take my hand
time to climb
the Tall-Tall
Towers!

Congratulations!
You won your
Magic Silver Shield!

LEVEL 35

Now
can we
fight?

No, not yet,
you are still only
at level 35,
I will surely win!
